

Lehi Main Street Reconstruction "HISTORIC" DOWNTOWN SECTION

- Note: Aesthetic / landscaping treatments to be constructed as funds are available.
- This illustration is current as of September 6, 2011.
- Construction scheduled to begin in 2012.
- These plans and dates are subject to change.

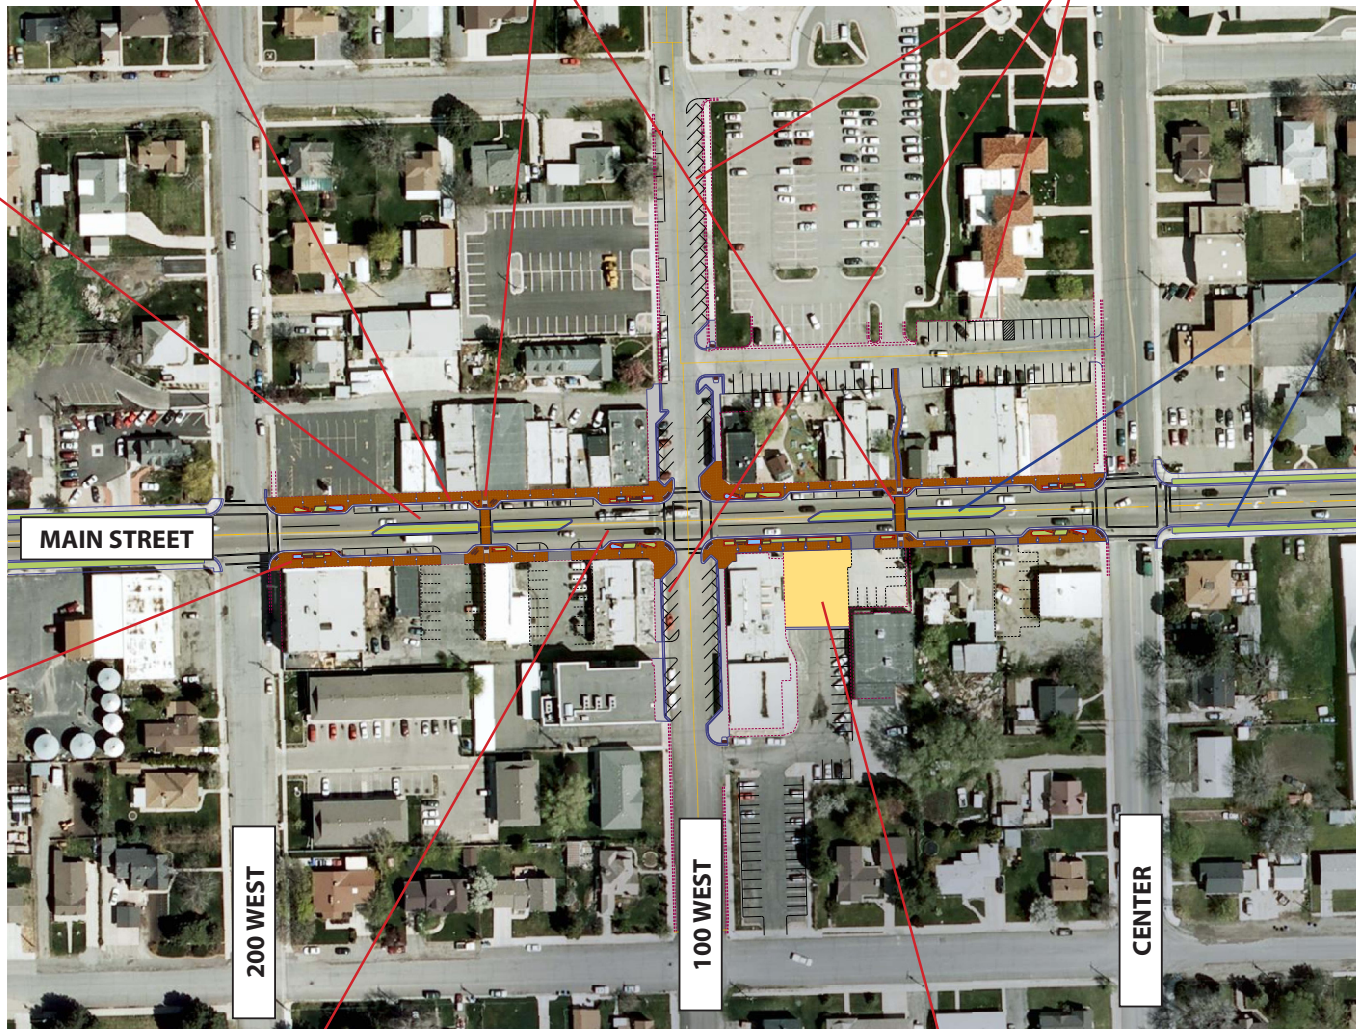

The introduction of new sidewalk textures and aesthetic improvements to give Main Street an "old town" charm.

New mid-block pedestrian crossings.

New additional downtown free parking.

New landscaped medians, left-hand turn lanes, and parallel parking stalls.

New streetlights, benches, bollards, trash cans, trees and other landscaped areas.

NOTE:

Landscaped center medians are to be constructed between Center Street and 200 West only. Roadside landscaping will be installed in other areas between 600 East and 400 West.

New curb, gutter, sidewalk and roadway improvements.

Old bank awning to be removed. New courtyard / gathering plaza to be constructed.
